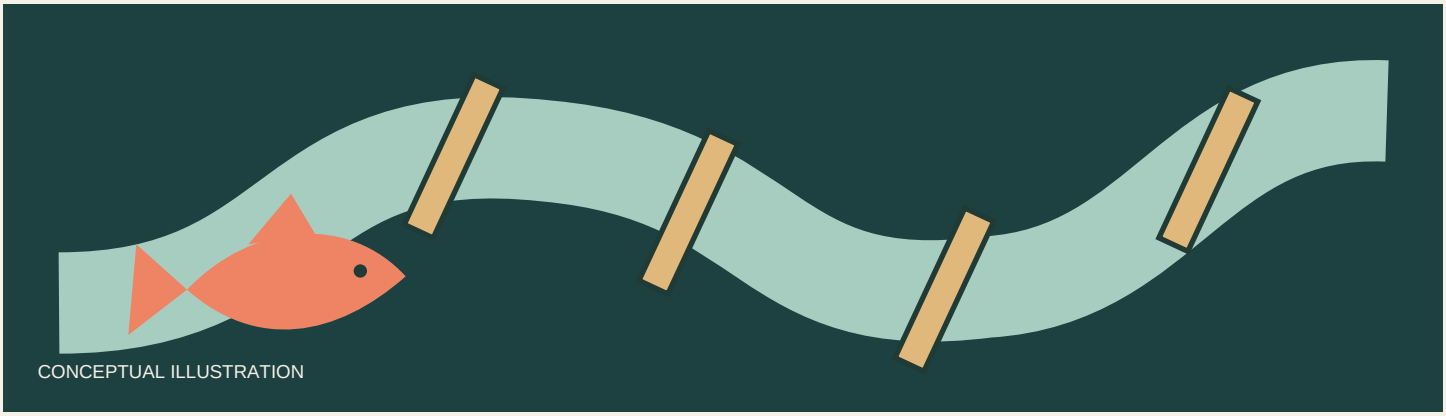
THE LOWER SNAKE RIVER BARGAIN / ECON 238

Breach four dams.

Bet on wild salmon.

Would you take the deal?



CONCEPTUAL ILLUSTRATION

PROPOSED FEDERAL FUNDING: UP TO

$20 billion over 15 years

Federal taxpayers fund the package.

THE PROPOSAL

Breach four lower Snake River dams by 2032 to improve salmon migration and habitat.

REPLACE FIRST

Secure carbon-free power, grain transport and irrigation; compensate affected ports and communities.

The tradeoff: give up hydropower and barge shipping.

Salmon recovery and delivery within the budget are uncertain.
